Flexible lab space

- Use flipdesk (or similar) to achieve use as:
  - Lecture space
  - Open Lab
  - SDP and Computer Design
  - Open lab

Staff Space: for marking meetings, preparation of material, records and files.

Offices/Dos

Interview Rooms

Resource base for notes, coursebooks, “vicar station”

Reconfigurable “drop-in” space – SDP overflow

New, bigger, better, ITO with support for all taught course students. One stop shop for all teaching enquiries for both staff and students.

Appleton Tower Level 3 and 4
