2. **Answer Parts A, B and C.** The 30 multiple choice questions in Part A are worth 50% in total and are each worth the same amount. Raw multiple choice scores may be rescaled at the discretion of the exam board. Parts B and C are each worth 25%. Answer ONE question from Part B and ONE question from Part C. If you attempt two questions in either Part B or Part C, cross out one answer; if you do not cross out one answer, then the examiners will cross out the last question you answered in each Part.
3. Use the special mark sheet for Part A. Answer Parts B and C each in a separate script book.

Write as legibly as possible.
