

# Professional Issues Assessment 1: MacBeth

Philip Wadler

Thursday 3 October 2013

Rewrite the following.

Macbeth was very ambitious. This led him to wish to become king of Scotland. The witches told him that this wish of his would come true. The king of Scotland at this time was Duncan. Encouraged by his wife, Macbeth murdered Duncan. He was thus enabled to succeed Duncan as king. (55 words.)

Count the number of words. Can you rewrite it again with fewer words still?
