

Professional Issues Tutorial: Prism

Philip Wadler

Monday 21 November 2016

Consider the accompanying slide deck (prism.pdf).

- (a) Can you identify the source and purpose of the deck? Why is it publically available?
- (b) Identify the best and worst features of the deck. Pick one slide, and single out good and bad features. Feel free to write directly on prinout of the slide, then copy the most salient points below.

Name _____
