

Feedback

We are very impressed!

- Lots of great ideas
- Thought put into the subtasks and requirements
- Painting picture of use case

- Great names and logos!
 - Please sent name and small (max dimension 200px) image to me for website

Commendable - needed for project plan

- Staged development
- Milestones
- Constraints will use for prototype
- Interface system specified
- Background information, e.g. statistics of need
- Picture, physical mockup, state diagram

Important

- How will you set up a space on level 3 to demonstrate

Commendable - needed for project plan

- Staged development
- Milestones
- Constraints will use for prototype
- Interface system specified
- Background information, e.g. statistics demonstrating need
- Picture, physical mock-up, state diagram

Important!

Important

- How will you set up a space on level 3 to demonstrate? Consult with Garry
- Your client can give feedback on a draft – consult with them for timing
- Get organised now – Slack, Github etc. – and include this in your plan
