It is herein agreed that:

The copyright to the contribution identified above is transferred to Springer-Verlag Berlin Heidelberg New York (for U.S. government employees: to the extent transferable). The copyright transfer covers the exclusive right to reproduce and distribute the contribution, including reprints, translations, photographic reproductions, microform, electronic form (offline, online), or any other reproductions of similar nature.

The Author and the School of Informatics of The University of Edinburgh (the "Employer") may publish this contribution on the Employer's Web page provided that a link is created to the above mentioned volume of LNCS at the Springer-Verlag server or to the LNCS series Homepage (URL:<http://www.springer.de/comp/lncs/index.html>) and that together with this electronic version it is clearly pointed out, by prominently adding "© Springer-Verlag", that the copyright for this contribution is held by Springer.

The Author and Employer may not publish this contribution other than for academic and research purposes e.g. course and lecture notes without the prior written permission of the publisher unless it has been changed substantially.

The Author warrants that his/her contribution is original, except for such excerpts from copyrighted works as may be included with the permission of the copyright holder and author thereof, that it contains no libelous statements, and does not infringe on any copyright, trademark, patent, statutory right, or proprietary right of others.

The Author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors.

In return for these rights:

The Publisher agrees to publish the identified contribution at his own cost and expense. The Authors are entitled to purchase for their personal use books published by Springer-Verlag with a discount of 33 1/3% off the list price. Resale of such copies is not permitted.

The undersigned hereby gives permission to Springer-Verlag to publish the above contribution to the above book.
